3*d Session.*—Shaw's Exposition of the Confession of Faith; Natural Philosophy; Astronomy.

III. Course of Modern Languages.

FRENCH.—Fasquelle's Method; Fasquelle's Colloquial Reader; Telemaque; Histoire de Charles XII.; Racine's Tragedies; Bossuet's Orations.

GERMAN.—Ollendorff's System; Adler's Reader; Schiller's Thirty Years' War; Goethe's Faust.

Elocutionary and Rhetorical Exercises throughout the Course.

RELIGIOUS INSTRUCTION.

All the Students are required to attend the worship of God, daily, in the College Chapel, and to recite a Bible lesson once a week. All are likewise required to attend public worship, and Bible class, in some church, on the Sabbath. Those who take a full course will read exegetically the greater part of the New Testament in Greek, and select portions of the Old Testament in Hebrew. In addition to studying the usual text books on Natural Theology, Evidences of Christianity, and Moral Philosophy, they will take a brief course in the principles of the Gospel. This course of Religious Instruction will be especially valuable to those whose professional studies will not lead them to a careful examination of the facts and principles of the Word of God. Students' Prayer Meetings have been organized; they are well attended. The Faculty regard it as an important part of their work to labor for the moral and spiritual welfare of the Students.

LIBRARY.

The Library contains about one thousand volumes, including five hundred dollars worth of new books, selected expressly for the College. The most important Reviews and Monthlies, published in the United States, are received regularly. It is accessible to all the Students.

APPARATUS.

An extensive Philosophical and Chemical Apparatus has been procured and is now in successful use. It affords the means for a satisfactory illustration of the most important doctrines in the various departments of Astronomy, Natural Philosophy, and Chemistry.

LITERARY SOCIETIES.

There are three Literary Societies in the College—the *Philadelphian*, *Eccritean*, and *Amantes des Belles Lettres* —on a good footing, which afford to their members respectively the opportunity of improvement in the branches of learning, for the promotion of which they are established.

GOVERNMENT.

It is the aim of the Faculty to secure good order and diligence in study, by the force of moral and religious principles, rather than by the direct exercise of authority. Those who persist in neglecting their studies, or in pursuing disorderly courses, or in exerting an evil influence, will not be permitted to remain in connection with the College.

EXPENSES.

Tuition is from $20 to $30 per annum, payable in advance, at the commencement of each session. There is also a charge of 50 cents per Session for incidental expenses. This does not include tuition for the French and German Languages and Music. Boarding in private families, including lodging and fuel, may be had for $2 00 per week. Some Students board themselves at a cost of less than *one dollar* per week. Male and female pupils are admitted on the same terms.

EXAMINATIONS.

There is a public examination of all the classes at the close of each session, upon the studies of the session, in the presence of the Faculty, and of a committee appointed by the Board of Trustees.

SESSIONS AND VACATIONS.

The present College year will close on Commencement Day—Thursday, July 1st. The First Session of the Third College Year will open on Monday, September 1st, at 2 o'clock, P. M., and close on Friday, December 17th. The Second Session will open on the First Monday of January, at 2 o'clock, P. M., and close on Friday, March 25th. The Third Session will open on Monday, April 4th, and close on the First Thursday of July. The Summer Vacation will continue about two months, the Winter, about two weeks, and the Spring, about one week.

ADDITIONAL INFORMATION.

Students, to enjoy the greatest advantages, should commence at the opening of the First Session, and continue throughout the year. Students can count on obtaining an opportunity of studying particular subjects, only during the Sessions to which they are assigned.

College bills are required to be paid promptly in advance, at the opening of each Session.

Students applying for admission on hired Scholarships, must present a certificate from the owner thereof, authorizing them to use the same. Such certificate should specify particularly the time for which the Scholarship has been transferred.

No more perpetual Scholarships will be sold.

A limited number are offered on the following terms:—"The payment of one hundred dollars as hereinafter pro-

vided, shall entitle the person making such payment to the tuition of one Student for the term of twenty years—the payment to be made as follows; 1st, a discount of twenty per cent. to be allowed for prompt payment, or if paid within one year, with six per cent. per annum, interest in advance; or 2d, payable in five equal installments, of twenty dollars each, with interest at six per cent. per annum in advance on the deferred payments."

Under certain circumstances the agents are authorized to extend the time of the payment of these installments to eight years.

Further: "Scholarships entitling the purchaser to the tuition of a single scholar for five years, are sold for fifty dollars, payable as follows: Twenty dollars cash in hand, twenty dollars in one year, and ten dollars in two years, with ten per cent. interest in advance on the deferred payments—twenty per cent discount allowed for prompt payment."

It is not intended to sell more than about one hundred and fifty more Scholarships on these, or on any other terms. Persons desiring to obtain them should apply promptly.

The holders of perpetual Scholarships are reminded that the interest thereon is due in advance, and that, according to the terms thereof, the Scholarships are forfeited if it is not paid promptly. The Board will allow thirty days' grace. No further time can be relied upon with safety.

Remittances may be made to John Brown, Treasurer of the College, by mail or otherwise.

At the late meeting of the Legislature of Illinois, an Act of Incorporation, conferring ample power on the

Board of Trust, was secured. The following is an extract from Sec. 3d.:

"Said Trustees shall be so arranged in three classes, that one third of their number shall go out of office in each successive year, at the time of the regular annual meeting of the Synod of Illinois, of the Associate Reformed Presbyterian Church of North America; and as such vacancies occur, they shall be filled, three-fourths of the number by the said Synod, and the remaining one-fourth by the Board of Trustees themselves."

The College building contains a chapel large enough to seat three hundred persons, and eight other rooms, adapted to various College purposes. It will afford adequate accommodations for some time to come.

Monmouth is a young and rapidly growing city of about three thousand inhabitants, situated on a fine rolling prairie, on the line of the Chicago, Burlington & Quincy Railroad. It is easy of access from every direction. It contains flourishing churches of various Evangelical denominations.
